Art Unit: 2813

**NOTIFICATION OF NON-COMPLIANCE WITH  
THE REQUIREMENTS OF 37 CFR 1.192(c)**

The Supplemental Appeal Brief is defective for stating, "...all claims have been canceled with the exceptions of claims 9 and 22 which remain on appeal..." in the first paragraph of the Supplemental Appeal Brief, Paper No. 19, filed 4/5/02. There has been no amendment provided by Applicant, or otherwise approved by the Office, to indicate that the other claims have been "cancelled." In the Reply Brief, filed 10/18/01, Appellant stated, "In reply to the Examiner's Answer, the appeal is dropped with reference to claims 1, 3, 7, 8, 18-21, 23, and 24, all of the appealed claims with the exception of claims 9 and 22." No mention was made of claims 2 and 4, which are also still active in the instant application.

Accordingly, the indication of claims pending in the application is uncertain because it is unclear if, in fact, claims 1, 3, 7, 8, 18-21, 23, and 24 are canceled. Further, the Supplemental Appeal Brief in response to this Office Action must either address claims 2 and 4 or be accompanied by an amendment canceling claims 2 and 4.

Regarding the period for response, note that MPEP 1206 states,

"The question of whether a brief complies with the rule is a matter within the jurisdiction of the examiner. 37 CFR 1.192(d) provides that if a brief is filed which does not comply with all the requirements of paragraph (c), the appellant will be notified of the reasons for noncompliance. Appellant will be given the longest of any of the following time periods to correct the defect(s):

(A) **1 month or 30 days from the mailing of the notification of non-compliance, whichever is longer;**

(B) within the time period for reply to the action from which appeal has been taken; or

(C) within 2 months from the date of the notice of appeal under 37 CFR 1.191.

Extensions of time may be granted under 37 CFR 1.136(a) or 1.136(b). The

examiner may use the form paragraphs set forth below or form PTOL-462, "Notification of Non-Compliance with 37 CFR 1.192(c)," to notify appellant that the appeal brief is defective. The appeal will be dismissed if the appellant does not timely file an amended brief, or files an amended brief which does not overcome all the reasons for noncompliance of which the appellant was notified."

In the instant case, it appears that the longest period is the one in bold above.

Accordingly, **Applicant has one month to reply from the mailing date of this notice.**
